

**Resolution Authorizing the County Administrator to Sign  
Applicable Insurance Coverage Applications.  
(Benefits and Risk Management)**

**WHEREAS**, the County desires to have its insurance consultant seek competitive quotes for various types of liability coverage; and

**WHEREAS**, in order to obtain cost quotes for necessary insurance coverage, the County must complete an application; and

**WHEREAS**, the application process is non-binding and provides the prospective insurance companies' underwriters with the necessary information to rate the risk; and

**WHEREAS**, the application must be signed by a representative of the County as a testament that all information included in the application are true, accurate and complete; and

**WHEREAS**, the County currently purchases insurance for property, commercial crime & public employee dishonesty, medical malpractice, FEMA primary flood for buildings located in 100 year flood plains, workers' compensation excess [stop gap]; now, therefore,

BE IT RESOLVED BY THE FRANKLIN COUNTY COMMISSIONERS:

That the Franklin County Administrator be authorized to sign insurance applications on behalf of the County.
